

What is a Health Savings Account (“HSA”)?

- Tax advantaged savings account for those covered by a High Deductible Health Plan (HDHP)
- A savings account for qualified medical expenses
- You own and control the money in your HSA
- Balances carry forward from year to year
- Minimum Annual Deductible amounts on your insurance policy to qualify for a health savings account are:
 - \$1,350 for single
 - \$2,700 for family

How much can I contribute to a Health Savings Account?

The IRS sets a Maximum Contribution Limit for HSA’s.

The limits for 2017 were as follows, with contributions for 2017 until 4/15/18:

- \$3,400 for single
- \$6,750 for family

For 2018 the limits are:

- \$3,450 for single
- \$6,900 for family

Catch up contributions of \$1000 are also available for individuals age 55 or older.
