

Premier Club

April 2018

Premier Club Members:

Our coffee will be held on April 12 at 9:30am at St. John's Lutheran Church Fellowship Hall in Bennington.

Since there was a mix-up with our speaker for March, we have rescheduled her for this month. Our speaker will be Julie Scradar. She is President of Rejuvenating Women and will be delivering a startling message about human trafficking in Omaha and small towns in Nebraska. You will be surprised at the number of victims and how they become victims. Several people have said that Julie is a very good speaker and brings an important message. Hopefully, we can have a good turnout to listen to her message.

Also at this meeting, there will be an important announcement concerning the Premier Club. Please plan to attend! We will have the \$10.00 cash prize drawing, but remember you must be present to win.

UPCOMING EVENTS TO PUT ON YOUR CALENDAR:
