May 2018

Premier Club Members:

We think spring has finally sprung! It's time to get out there and plant your gardens and/or tend to your flowers. Whatever you do, just enjoy the warmer weather.

We again want to thank Jean Olsen for her many years of service to the Premier Club. She has set a high example. We hope that she will now be able to enjoy the gatherings and not have to worry about organizing the event. Thanks, Jean!!!

As many of you found out at the April meeting, we, Dave and Dee Clark, will now be taking over for Jean. For the upcoming May meeting, we will tell you about ourselves. There might be some things you don't already know about us! This will be a small part of the meeting. The main part will be that we want to hear what YOU would like from Premier Club. Whether it be a one day or longer trip, speakers, or just having a day getting to know one another, we want to hear your input for upcoming Premier Club happenings. Bring your ideas and friends!
