October 2018

Premier Club Members,

It seems like fall is making its appearance. Time to start thinking about getting the garden and flower beds cleaned up for winter. Which we really don't want to think about. Hopefully, it will be a long fall season!

Thanks to all who attended the trip to Jamesport, Missouri. It was a long day but we had beautiful weather. It was very informative as to how the Amish live their everyday lives. As our granddaughter stated, "I don't think I would like to live like that." We seem to be too used to electricity and other things we use in everyday life. For those of you receiving this letter by email, we have included some photos from the trip.

In celebration of National Fire Safety month, our October meeting will be held at the Bennington Volunteer Fire Department. Our speaker will be a representative from the Bennington fire/rescue squad. They will also offer tours for anyone who would like to see the building. It is beautiful. If you have not seen it, be sure to take this opportunity to do so. We are lucky to have the best Rescue Squad and Fire Department anywhere!

We hope to see you at the meeting, October 11.

Dave and Dee

Upcoming dates to remember

October 6 - Bennington Fire Department Pancake feed 7am-1pm
