March 2019

Premier Club Members,

We were glad January was over and even happier that February was over! And we thought March would be better! But remember, each day is a day closer to spring. It can't get here soon enough this year.

Thanks to everyone who braved the cold and snow to attend the February meeting. Our thanks again to the American Heart Association for providing the speaker. She gave us good information to help improve our heart from eating right to obeying the doctors to exercise. It was all good advice.

Our next meeting will be March 14 at 9:30 at St. John's Lutheran Church. Our speaker will be Audra Moore, meteorologist from KMTV. Maybe she can give us a few insights for the upcoming weather!

Now for the exciting news! There is another trip being planned. This one will take us to the Orange City, Iowa Tulip Festival on Thursday, May 16. The final cost has not been determined. Hopefully, this will be established by the meeting. We are looking at the cost to be around \$70.00 to \$85.00. We are still arranging the final details. There will be room for 38 people to take part in this event. We hope that the flowers are in full bloom and it doesn't rain. The trip will happen RAIN or SHINE! Below is a tentative itinerary.

Here's hoping for a warm and sunny spring to happen soon!

See you at the meeting on March 14.

Dee Clark

Speaker from American Heart Association
at the February meeting
