April 2019

Premier Club Members:

We thought it was good that January and February were over. Little did we know what March was going to bring us! Hopefully, no one had too much damage from all of the rain and flooding. We do hope that those who were impacted by it have been able to recover.

We want to thank those of you who attended the March meeting. Listening to Audra Moore, meteorologist from KMTV, was very informative on how they go about forecasting the weather. Even she said sometimes everyone has a different opinion on how to interpret the radar and forecasting instruments!

Our next meeting will be April 11 at 9:30 at St. John's Lutheran Church. Our speaker will be Amy Beresh. She is a local resident who calls herself "a plant nerd when it comes to trees and shrubs." She also said she can give you personal advice and suggestions on pruning. She suggested that you bring a picture of the space you want to plant something and she will try to help you. With spring just around the corner, this is something that is sure to help.

There is still room, at the time of the distribution of this letter, if you haven't signed up for the bus trip to the Orange City Tulip Festival on May 16. Brochures are available at the Bank of Bennington. We need to have 35 people signed up by April 15 or we may have to cancel the trip. You can invite people who are not members of the Premier Club to go with us. Stop by the bank or send your registration money to the Bank of Bennington, 12212 N 156th Street. We have a full day planned for you! See last month's newsletter for details.

You know it's a sign of spring when the Bank of Bennington holds its shred fest. It will be on May 4 in the bank parking lot from 9:30am-11:30am. It will be held rain or shine! Now is a good time to clean and get rid of all of those old unnecessary documents!

We are looking for your email address! The cost of postage has increased and we are hoping to send more letters by email and less by snail mail. Please email Debbie Almquist at the Bank of Bennington with your email address. Her email address is dalmquist@bankbenn.com. We appreciate it!!!

We are asking for suggestions for speakers for upcoming Premier Club meetings. Who would you like to hear and/or what topics are you interested in? We are trying to make these meetings informative and enjoyable for you to attend. Just bring your suggestions to the next meeting or you can email them to me at dlclark410@cox.net.

Let's hope for some warm spring weather. We deserve it!

See you at the meeting on April 11.

Dee Clark

Audra Moore speaking at March meeting.
