May 2019

Premier Club Members,

I'd like to think that spring has finally sprung but I keep having my doubts. This cool, rainy weather has to give way to sunshine and warmer temperatures soon. I'm ready for those May flowers! (Which I still need to purchase and get planted!)

I hope some of you were able to use the pruning advice we received from Amy Beresh at our April meeting. I was able to get some bushes shaped up during the few times the weather cooperated. Congratulations to those of you who were the recipients of the great things that Amy brought to share with us.

Our meeting on May 9 will feature a speaker from the Omaha National Cemetery. The cemetery was opened in the spring of 2018 in southwest Omaha. Burial in the cemetery is open to all members of the armed forces who have met a minimum active duty service requirement and were discharged under conditions other than dishonorable. I'm sure we will hear more interesting facts about the cemetery at our meeting.

The bus trip to the Orange City Tulip Festival on May 16 still has 3 spots left if you know of someone who would be interested in going. You may invite people who are not members of the Premier Club. Stop by the bank or send the registration money to the Bank of Bennington, 12212 N 156th Street. We have a full day planned for you! See the March newsletter for details.

You know it's a sure sign of spring when the Bank of Bennington holds its annual shred fest. It will be on May 4 in the bank parking lot from 9:30am-11:30am. It will be held rain or shine! Now is a good time to clean out those files and get rid of all of those old unnecessary documents!

We are still looking for those email addresses! We would appreciate it if you would share yours with the Bank. The cost of postage has increased and we are hoping to send more Premier Club newsletters by email. Please email Debbie Almquist dalmquist@bankbenn.com at the Bank of Bennington. We appreciate it!!!

You should have received your new debit card from the Bank of Bennington by now. Be sure to activate it and keep track of your PIN number. If you have any questions, please call the Bank for assistance.

Do you have any suggestions for speakers for our upcoming Premier Club meetings? Who would you like to hear and/or what topics are you interested in? We are trying to make these meetings informative and enjoyable for you. Just bring your suggestions to the next meeting or you can email them to me at dlclark410@cox.net. I did receive a couple of suggestions but there is always room for more!

Hope you can attend the meeting on May 9 at 9:30, St. John's Fellowship Hall. Think spring!
