July 2019

Premier Club Members,

Well, it seems like summer has arrived! If it's not hot and sticky around the Fourth of July, it wouldn't be right. My dad always says we need this kind of weather for the corn to grow.

Thank you to Dr. Terry Haack, Shawn Hoppes and Matt Wilson for hosting our June meeting at the Bennington Middle School. The information that Dr. Haack presented was greatly appreciated. It's good to have all of the facts directly from the source rather than hearsay. It was also nice to have a guided tour of the new school. Many of us hadn't seen the inside of the building before having this opportunity to do so.

Our next meeting will be July 11 at 9:30am. We will meet at St. John's Lutheran Church in the fellowship hall. Our speaker will be Deann Zens. She will be speaking about her Honor/Freedom Flight to Washington DC. If you are not familiar with these flights, they were created to honor America's veterans for all their sacrifices. The veterans are transported to Washington, D.C. to visit and reflect at their memorials. Be sure to attend as I'm sure it will be very interesting.

The Washington County Fair is close at hand - July 26-31. If you have time, be sure to take it in. It's good to see everything that is displayed. From the vegetables and flowers to baked goods and clothing to the livestock, it's all there! Make sure to try all the "fair" food too!

With the Fourth of July holiday upon us, please be careful! If you are setting off fireworks or just enjoying the outdoors, have a good time and enjoy the day and night.

We will plan to see you on July 11.

Dee Clark
