November 2019

Premier Club Members,

This past month we have seen the leaves drop as well as the temperatures. I'm still waiting for the Indian summer to arrive. I may be waiting a long time! Hopefully, all of you have your fall "outside" work done. It seems like it has taken forever for all of the leaves to fall. They may just stay where they are in my yard until next spring.

Thank you to last month's speaker, Marcus Hansen from the Douglas County Post Gazette. He gave us some insight to the "new" look of the newspaper and the goals they are striving to achieve. If you don't subscribe to the Gazette, maybe it is something you wish to consider.

Our next meeting will be on November 14 at 9:30 at St. John's Fellowship Hall. Our speaker will be Angie Baldwin Svec. She is a Medicare Insurance Specialist with Pro Insurance Resources. Since open enrollment began October 1, this will be a great place to find out the answers to those questions you have been wanting to ask. And remember open enrollment ends December 15.

Veteran's Day will be celebrated this year on its original designated date, November 11. We thank all of you who have served in the military! It's because of your service and others that we are free to live as we do in the United States today.

I know it's a little early but December is fast approaching. As always, our December meeting will be a luncheon which will be on December 12 at noon in St. John's Fellowship Hall. The cost will be \$5.00/person. You will need to sign up before December 6. You may pay and register at the November meeting, in person at the Bank of Bennington or call the Bank to sign up (402-238-2245). This is a great time to enjoy a good meal and time with friends.

Have a great day and we will see you November 14,

Dee Clark
