February 2020

Premier Club Members,

One more winter month down! Onto February. The bad thing is the groundhog says there will be six more weeks of winter. If those next six weeks would be like the first part of this winter, we should be able to handle it. This winter hasn't been anything like last winter! And each day is a day closer to spring!

Thanks to Bennington Police Chief Drew Hilscher, Sergeant Daniel Stocker and Officer Travis Herbolsheimer for speaking at our January meeting. It was nice to be able to put faces to Bennington's Police force. They do a great job and we thank them for it.

Our February meeting will be February 13 at 9:30 at St. John's Fellowship Hall. Our speakers will be Drs. Jordan and Christine Nickerson. They are owners of Bennington Animal Hospital which recently opened in Bennington. They will tell us about themselves as well as their veterinary business. Please come to meet them and welcome them and their new business to Bennington.

We have another trip! This one will take us to Concordia, KS. I'm sure you are thinking - Concordia, Kansas??? That's what I also thought until I looked further into the town. There are several things to see there. Some of them are the National Orphan Train Complex, WWII POW Camp Concordia, and the Nazareth Motherhouse. Check out this website for more information <http://www.cloudcountytourism.com/things-to-do>. **The date is Wednesday, April 29.**

Reservations must be made by **March 31**. If we don't have 38 people by that date, we may have to cancel the trip. A flier is attached/included detailing the trip and a registration form. This will be a very interesting trip and we will see some attractions that we don't have around this area. Be sure to mark your calendars!

I hope to see you at our regular get-together on February 13.
