April 2020

Premier Club Members,

Well, March did go out like a lamb where the weather is concerned. But it certainly didn't as our lives are concerned. I hope this finds all of you well and that you are keeping your social distancing which is something we hadn't even heard of not that long ago.

Our April meeting has been canceled. Our speaker was to be James Tews, who is a lawyer with Koley Jessen. He has said he would be happy to speak to us sometime in the future.

I would like to say thank you to Jane Hutton from the Douglas County Extension Office. She gave an informative presentation about what the Extension Office has to offer us. From advice on bugs, plants, canning, and animals. It's there for us and we just have to remember to use it.

Just a couple of things you will miss out on since our April 9 meeting is canceled. Some of the things happening that day are : National Unicorn Day (good luck finding one of these!), National Cherish an Antique Day (Ladies, this may include your husband), and National Name Yourself Day (I guess you can be whoever you want to be!)

## **This day in history** (April 9)
